Bachelor Degree Field of Study (Overall)

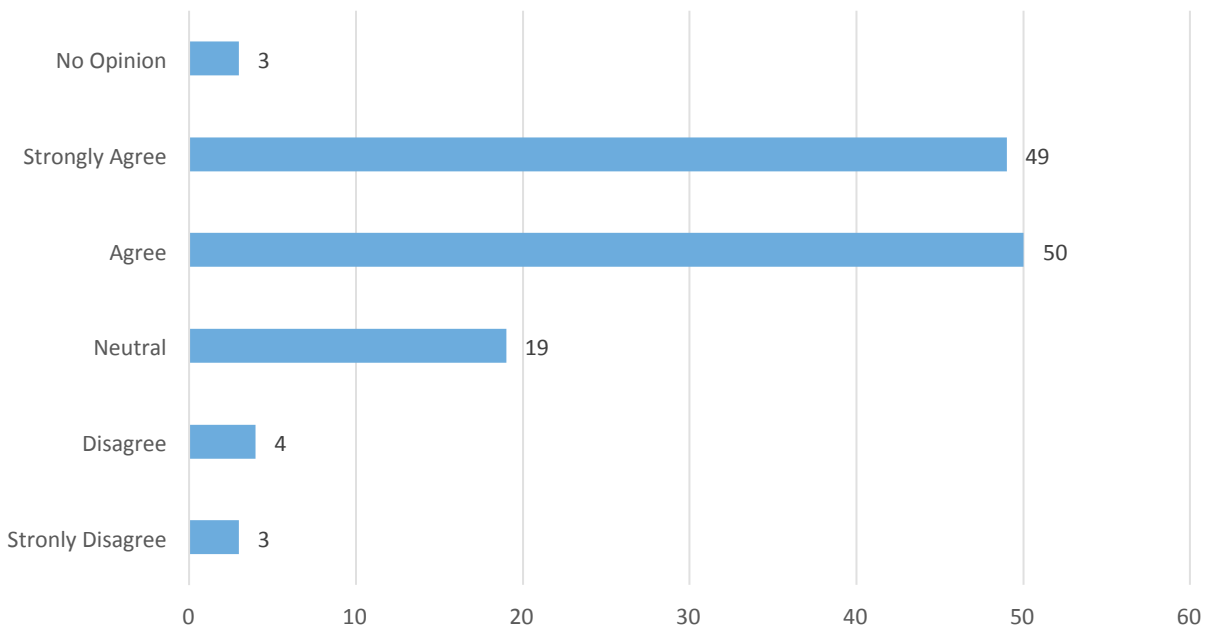

Previous Library Experience (Overall)

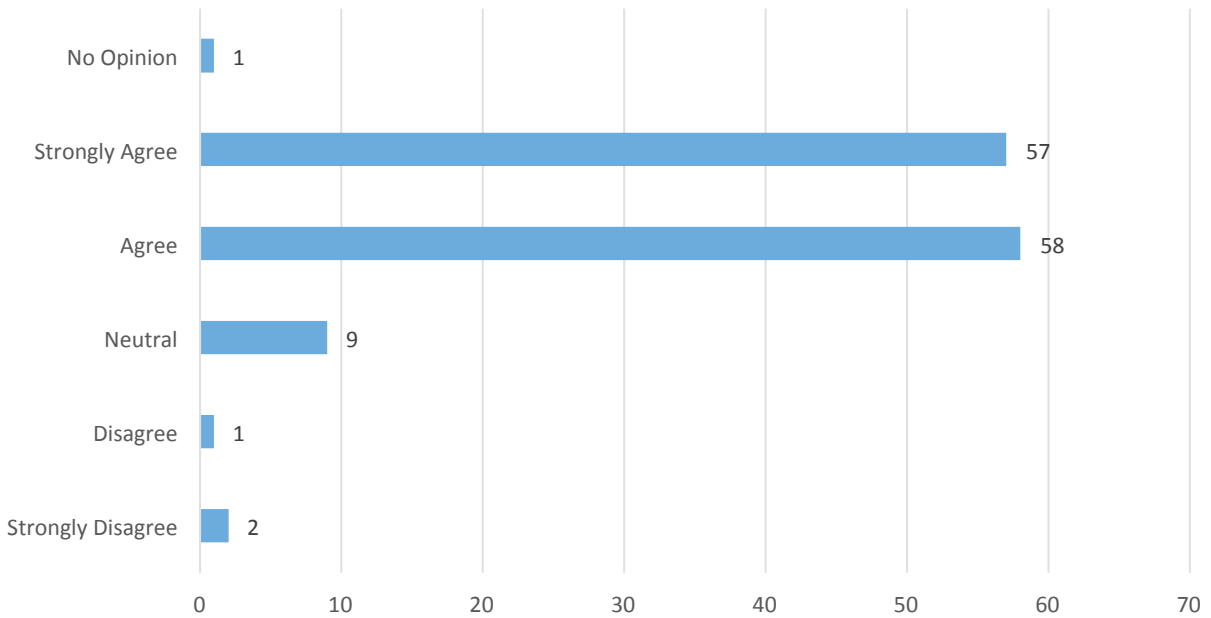

The course schedule allowed me to implement a coherent program of study. (Overall)

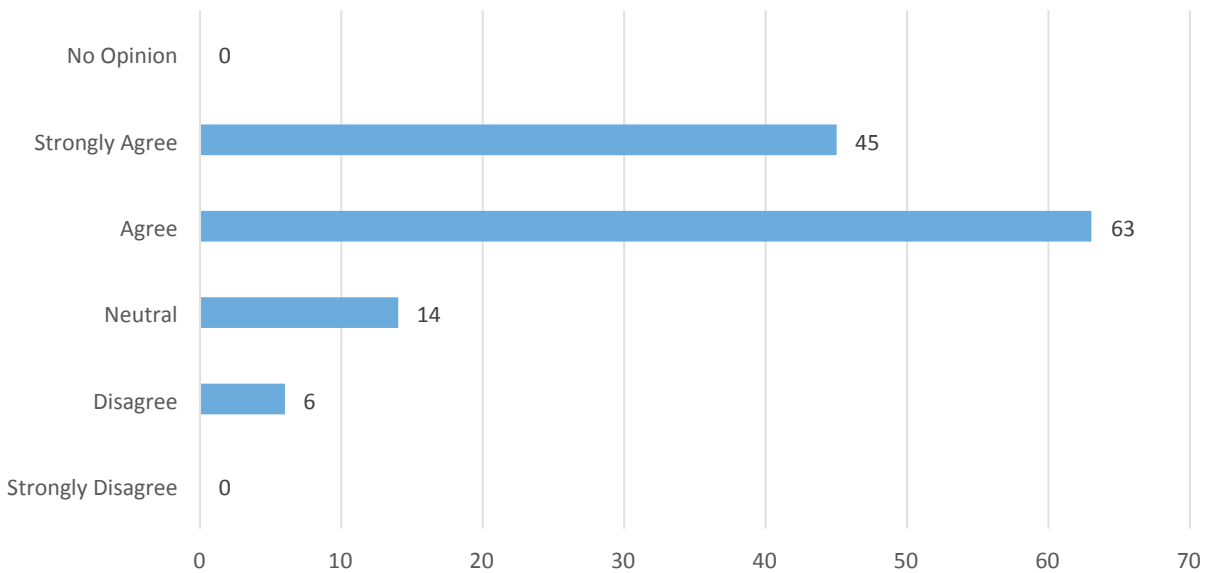

Working with my adviser helped me to create a coherent program of study. (Overall)

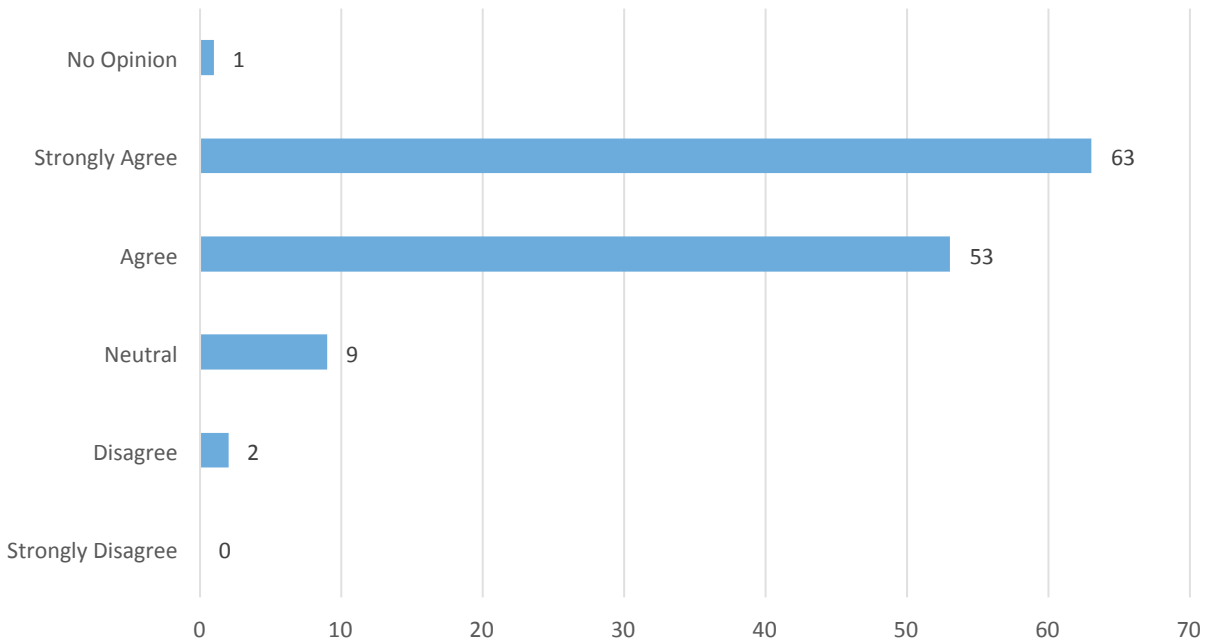

The curriculum provided me with knowledge of current technology (e.g., wikis, blogs, conferencing software). (Overall)

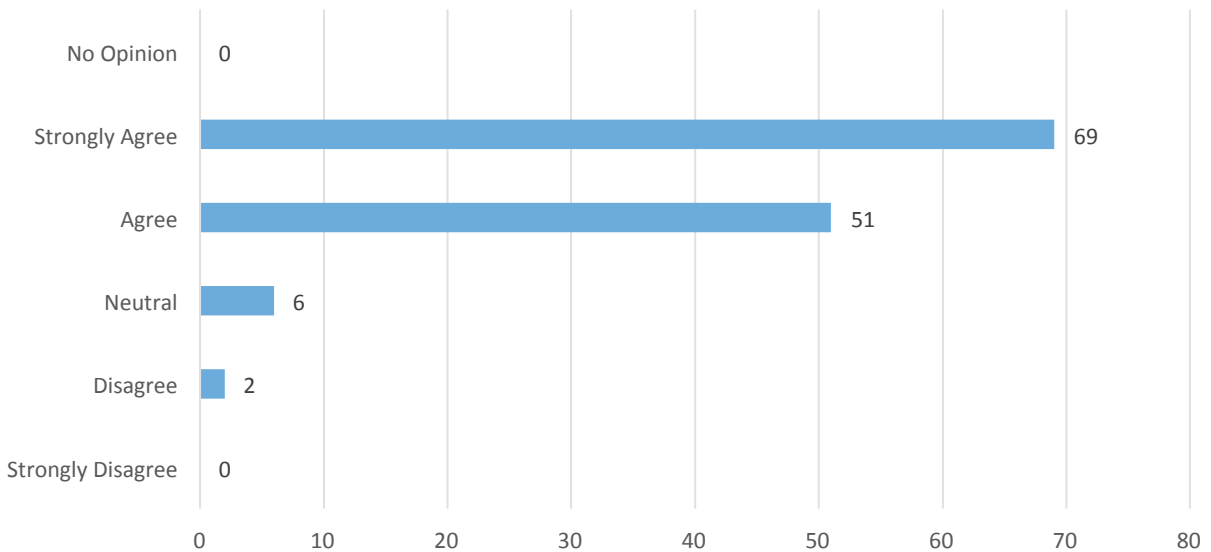

The curriculum provided a "hands-on" opportunity to learn current technology (e.g., ILS, digital repositories, web pages). (Overall)

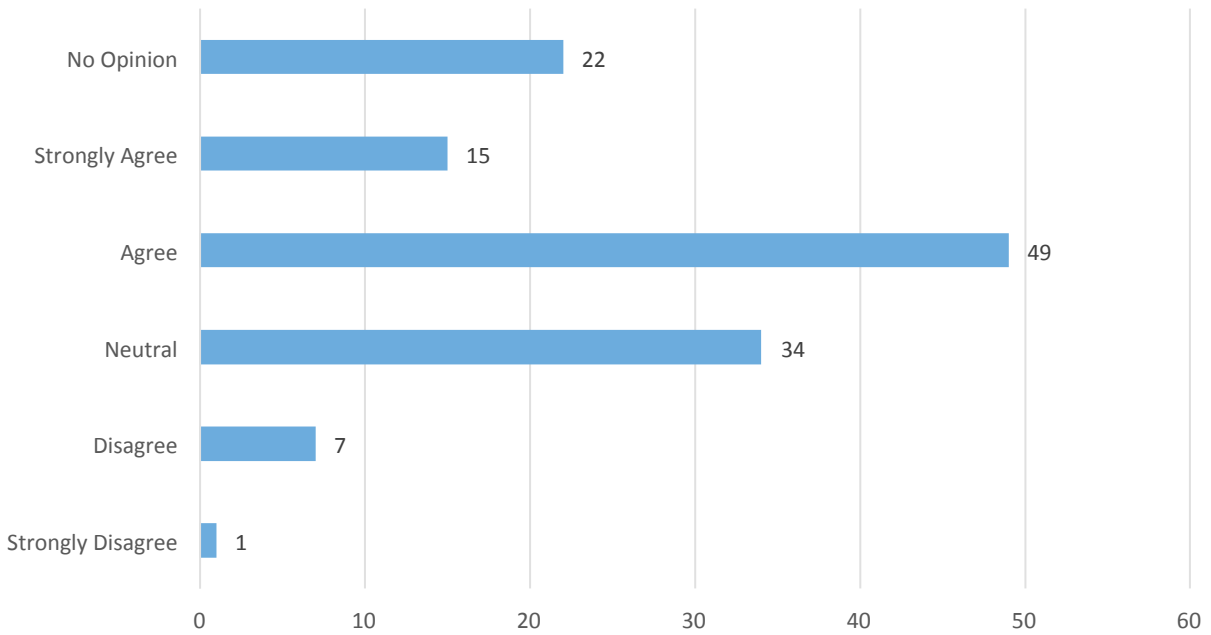

The curriculum has prepared me for an entry level professional position. (Overall)

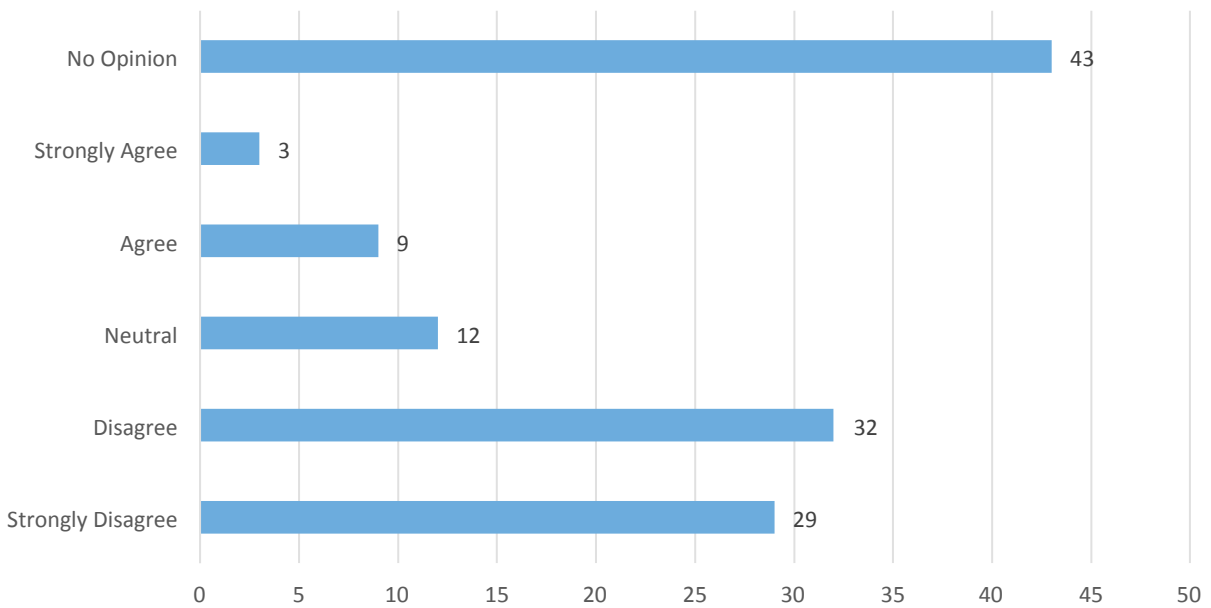

The curriculum exposed me to the importance of a professional commitment to continuing education and lifelong learning. (Overall)

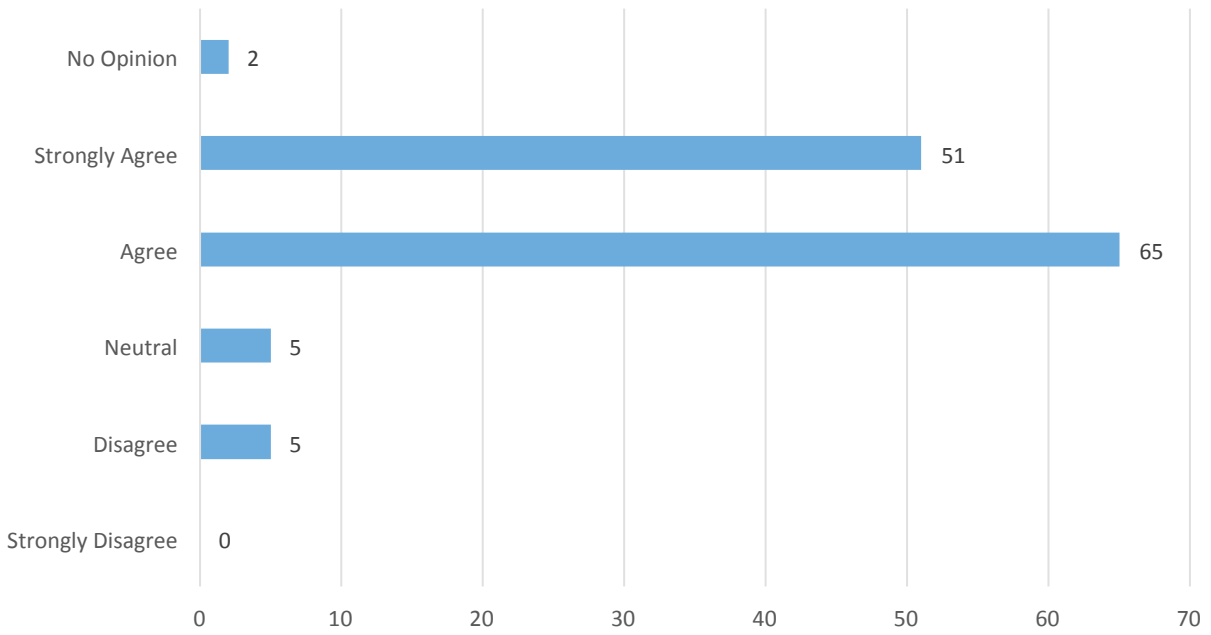

I had the opportunity to participate in student organizations.
(Overall)

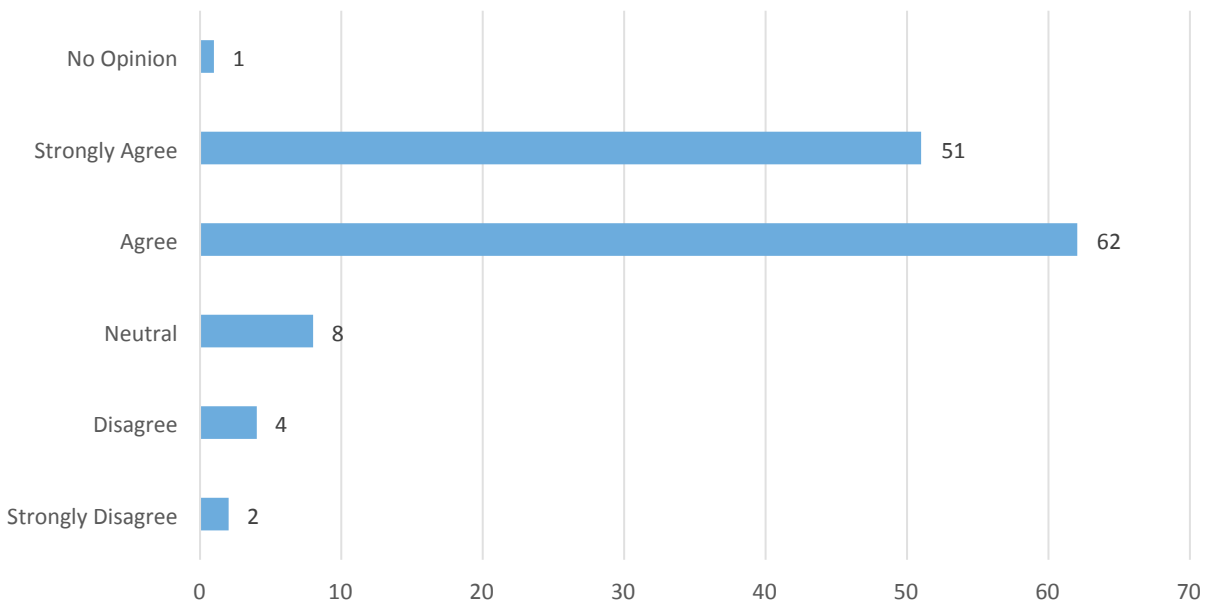

I participated in a published research project with a faculty member. (Overall)

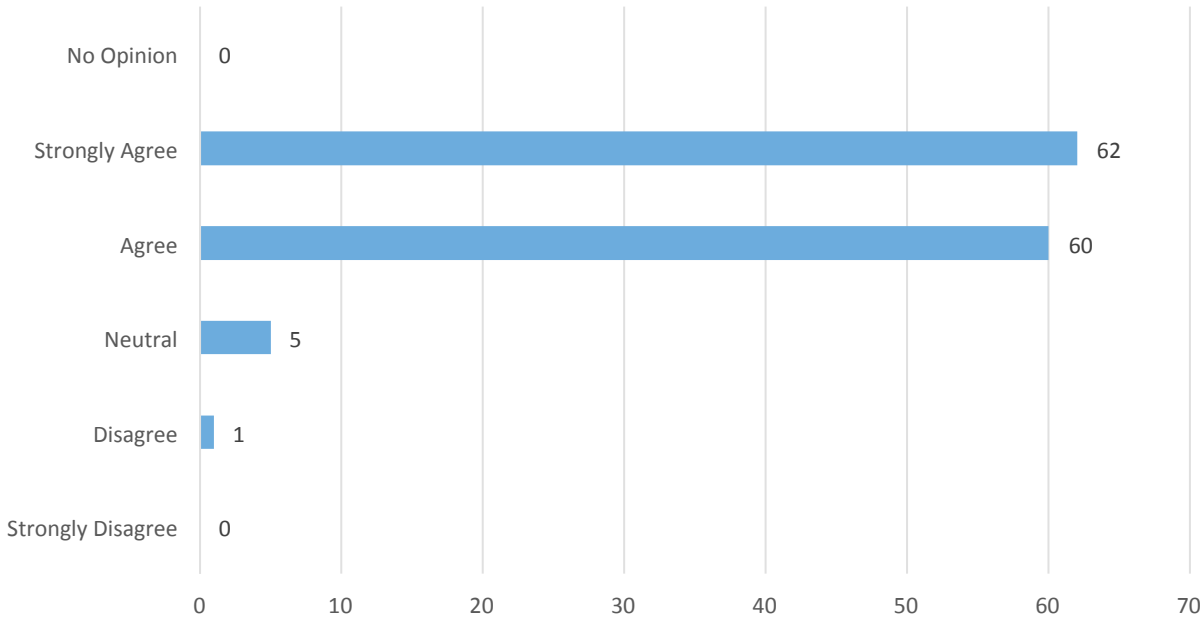

Faculty members provided a blend of theoretical and practical applications in their classes. (Overall)

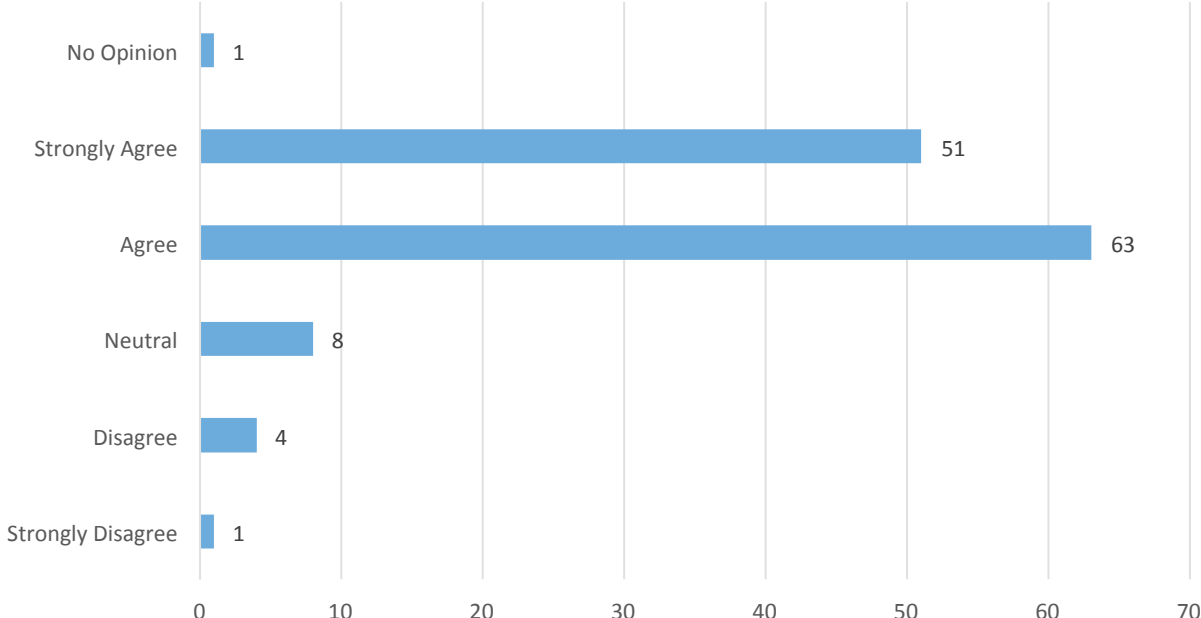

Faculty members provided up-to-date information in their classes. (Overall)

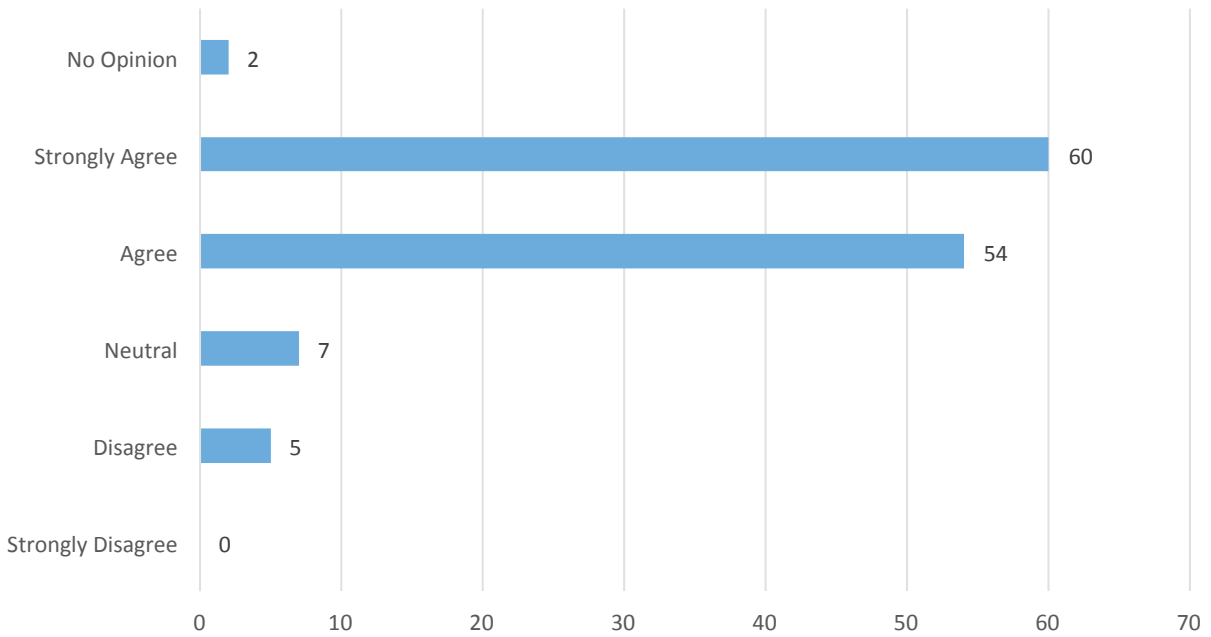

Faculty members demonstrated respect for alternative viewpoints. (Overall)

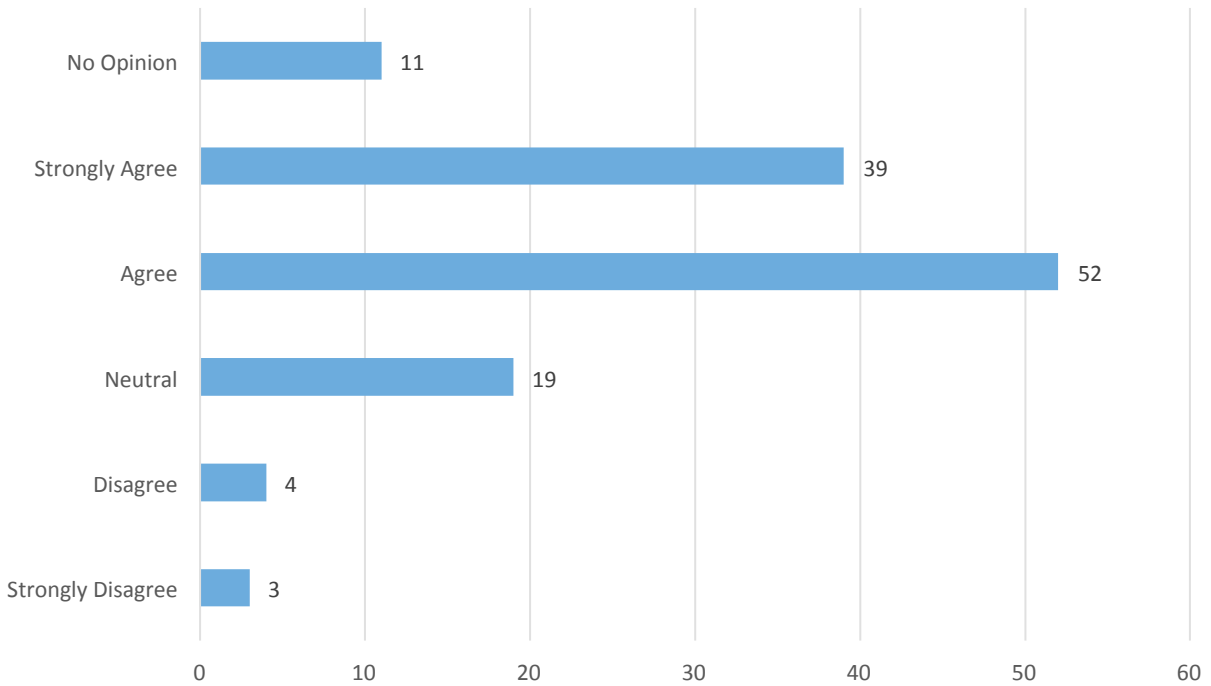

The library science faculty was very effective. (Overall)

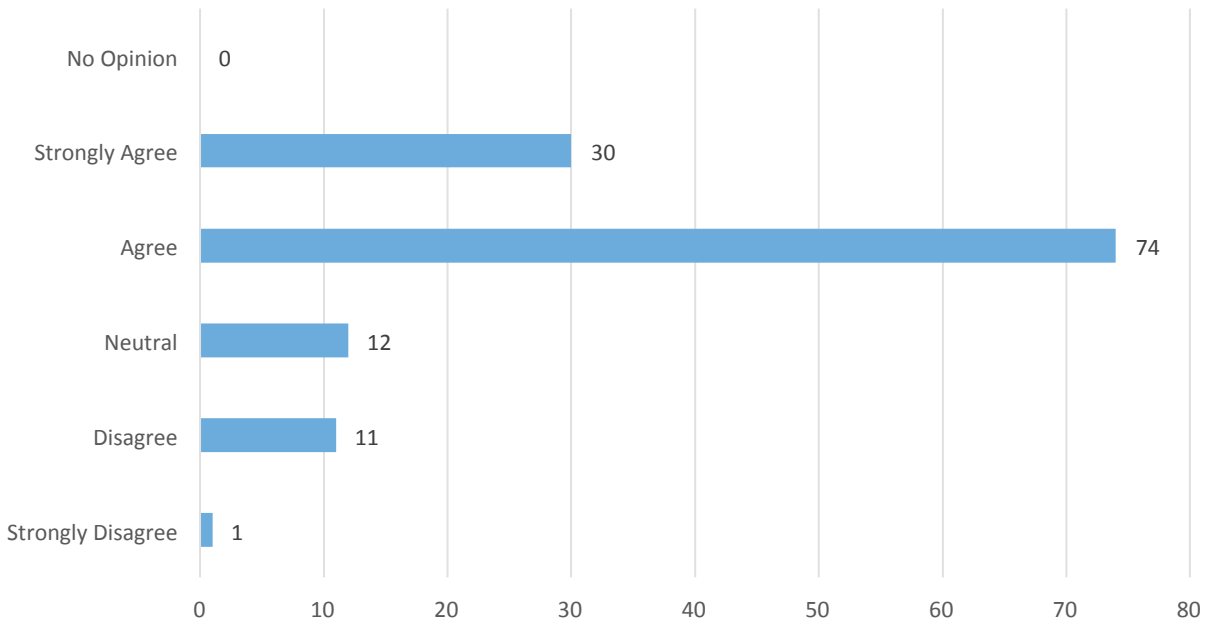

Information about the program's goals and objectives was accessible. (Overall)

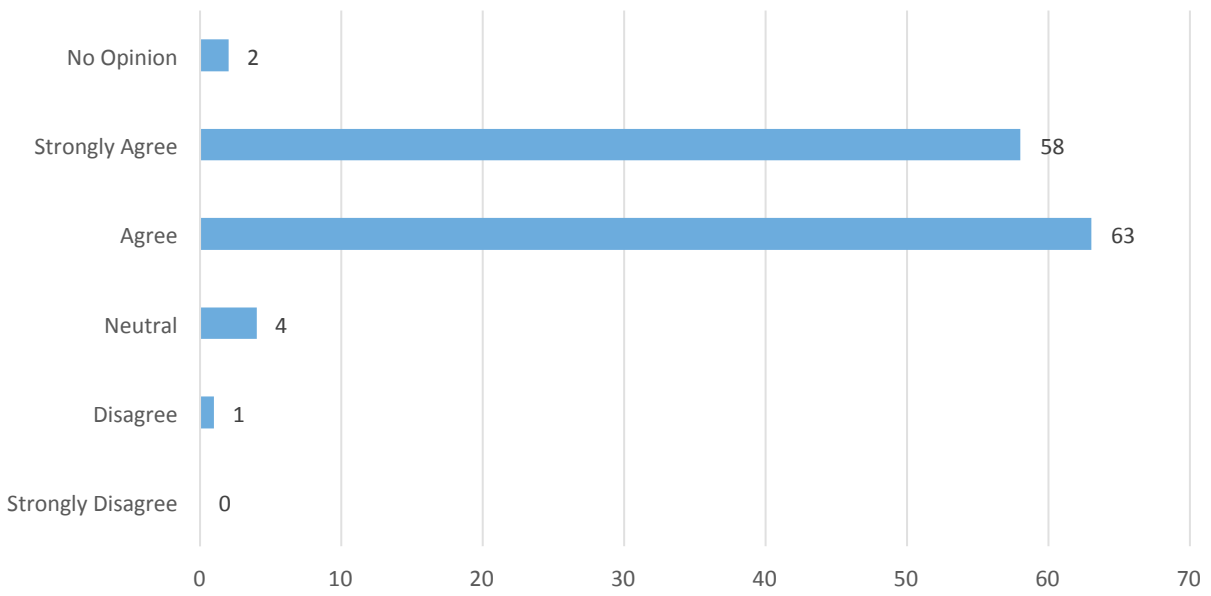

Information about financial aid was accessible. (Overall)

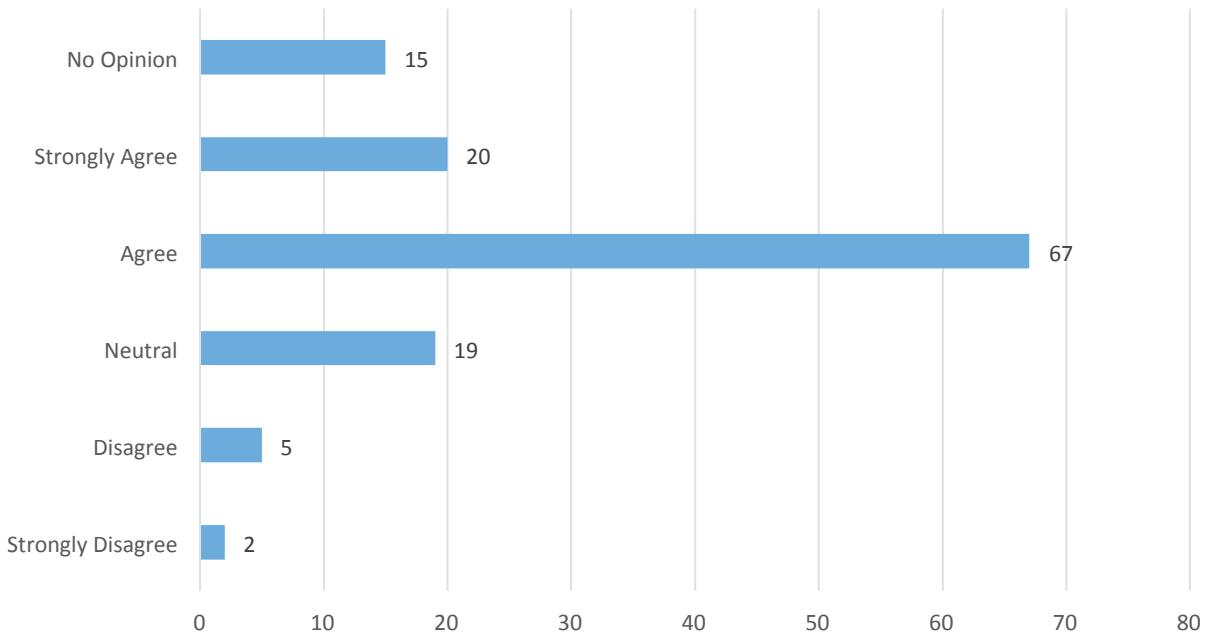

Information about departmental policies and procedures (e.g., advising, internship, etc.) was accessible. (Overall)

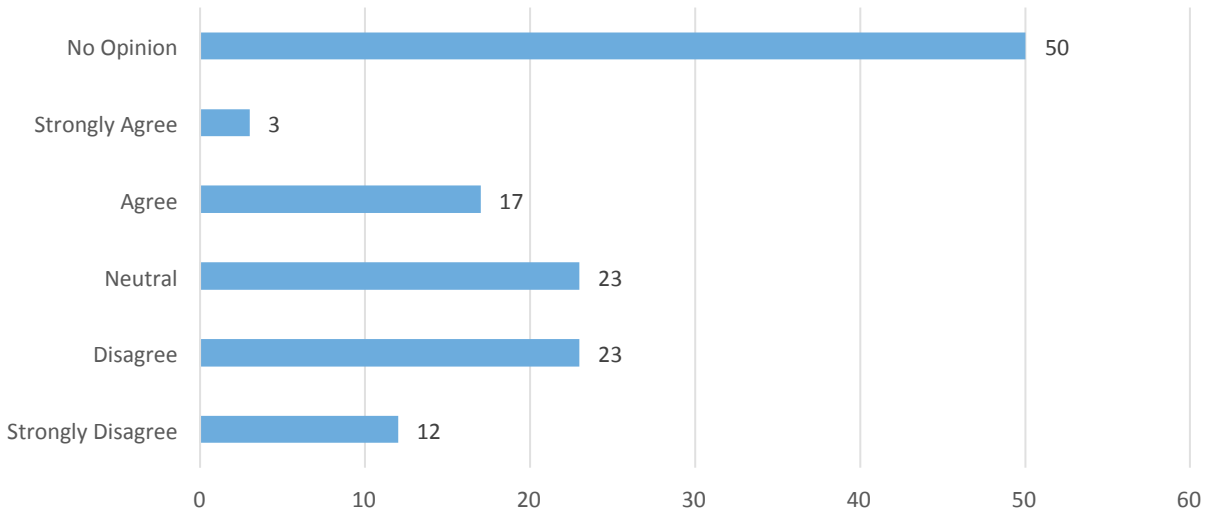

Available instructional resources (e.g., cataloging tools, library services, software) were adequate to fulfill the course requirements. (Overall)

Departmental placement activities (e.g., job postings, email, etc.) were adequate for my needs. (Overall)

I had the opportunity to participate in the governance of the department (e.g., committee membership, discussion of issues with faculty and departmental chairpersons, etc.). (Overall)

Are you a current member of at least one library science related professional organization? (Overall)
