

Tentative Four Year Plan: BA Psychology/Pre-Physicians Assistant

The below is a tentative schedule and assumes the incoming student with the following placements; Pre-Calculus (Math 171) and College Writing II (ENGL 111). It is highly recommended that you consult a pre-professional faculty advisor to adapt the schedule to your particular circumstances.

Please check with specific Physician Assistant programs for pre-requisites not included below. Some possible recommended courses may include: Intro to Nutrition, a 3rd Psychology course, and Medical Terminology

Tentative Four Year Plan: BA Psychology/Pre-Physicians Assistant

--------	---	---

Summer: Take GRE and Submit Application

Note – This tentative academic plan assumes that the required course for physical therapy programs will not be completed until after graduation. Thus the student will apply after graduation and have a gap/push year before matriculating into a

physical therapy program. Please consult your pre-professional advisor for the feasibility of completing the physical therapy requirements in three years and thus apply before graduation.
