## Laptops At The Libraries

Laptop computers in Carlson Library may be borrowed for up to four hours for use within the building. These are high demand items, so to avoid late fees, please remember to return them on time. Fees for late laptop computers and power cords are \$2.50 per hour each (or \$5.00 per hour for the pair). Don't forget that laptops are always *due one hour before* closing time.

Laptop computers in Suhr Library on the Venango College Campus may be borrowed for use in the library for four hours. However, they may also be checked out of the Suhr Library building for up to a 24-hour period. Ask the staff about this service.

As always, loans are based upon availability and positive identification with a Clarion ID card.

The laptop loan program is made possible by Student Technology Fees and the Center for Computing Services.

## iPads At The Libraries

Carlson and Suhr Libraries have iPads that students may borrow for up to a week.

Each iPad comes with a carrying case, power cord, protective cover, and is pre-loaded with basic apps. If you want to load additional apps, you can. Just remember that any apps you download disappear from the iPad when it's returned to the library.

Once each semester, iPad borrowers are asked to read and sign a borrowing agreement that outlines what you need to know about borrowing an iPad:

- You can keep it for a week
- Late fees are \$25 per day
- Fees for damaged equipment may be assessed
- Lost iPads will cost you \$600
- etc.

As always, loans are based upon availability and positive identification with a Clarion ID card.

The iPad loan program is made possible by Student Technology Fees and the Center for Computing Services.

## Print! Copy! Scan!

Carlson Library received a major technology face-lift over the summer.

Not only have all of the computers in the Library's labs have been replaced, but we have new printers as well!

Best of all...now you can use the printer unit on Level A as a photocopier *and* as a scanner. Yep! Now you can scan and send documents straight to your email account where you can view or print.

Drop by the S.W.A.T. Desk on Level A of Carlson Library and we'll be glad to show you how it works.

## Cranial Candy: Word Of The Week

## beleaguer

### PRONUNCIATION:

(bi-LEE-guhr)

### MEANING:

*verb tr.:*

1. To surround with troops.
2. To beset with difficulties.

### ETYMOLOGY:

From Dutch belegeren (to camp around), from be- (around) + leger (camp). Ultimately from the Indo-European root legh- (to lie or lay), which also gave us lie, lay, lair, fellow, and laager. Earliest documented use: 1589.

### USAGE:

"Underlying tensions and unresolved issues continue to beleaguer the Blue Line area."

In Lebanon, UN Official Urges 'Calm, Restraint' Along Blue Line; *Asia News Monitor* (Bangkok, Thailand); Feb 19, 2015.

Although we do not "repair" computers, the **S.W.A.T. Team** (the **S**tudents **W**ho **A**ssist [with] **T**echnology) on Level A of Carlson Library is always happy to help. Having an issue? Let us take a *swat* at it!
