

## Faculty Login Instructions

---

Log into D2L to access all Clarion University courses. Use the login link found at [www.clarion.edu/d2l](http://www.clarion.edu/d2l). This page contains helpful resources for instructors and students for D2L and all instructional technologies used at Clarion University as well as important notifications regarding the D2L Learning Environment. Support numbers for D2L's 24 x 7 Help Desk, and others, are on this web page as well.

### D2L Login: Username and Password Information

---

- **Getting Started**
  - a. **Change Password** - Before you can access D2L\*, you must initialize your Clarion account by resetting the temporary password you were provided upon hire. Access the [password reset page](#) and select "change your password".
- **Go to [clarion.edu/d2l](http://clarion.edu/d2l) and click the Login icon**
  - a. Select and enter your D2L username (e.g. *jsmith*) and password. This is the same username required to login to MyClarion, email, campus computers, Mediasite and the wireless network (see images below).
  - b. To confirm your Clarion username, you can check the [directory](#). Your email address and username are the same.
- **Forgotten Password**
  - a. If you do not remember the password for your Clarion username, you will need to contact the Computing Services Help Desk (814-393-2640) between 8:30-4:30 Monday-Friday and have it reset.

**\*Exceptions: Edinboro Faculty and Guest D2L accounts**

### Logging into D2L

---

1. Go to [clarion.edu/d2l](http://clarion.edu/d2l) to access the login link, OR navigate through the **MyClarion Tools** link in the gold bar across the top of any [www.clarion.edu](http://www.clarion.edu) web page.

**D2L**

HOME > ABOUT CLARION > COMPUTING SERVICES > LEARNING TECHNOLOGY CENTER > D2L

**WHAT IS D2L?** Click the link or logo to access the login screen.

Desire2Learn, or D2L, is the university's web-based Learning Management System, for traditional and online courses. D2L is designed to create a rich online learning environment for students. The D2L system provides a platform for instructors to post course documents, lectures, assignments and exams, as well as collaborative learning experiences such as discussion forums and more.
