

CLARION UNIVERSITY OF PENNSYLVANIA
FACULTY SENATE STANDING COMMITTEES

COMMITTEE ON ACADEMIC STANDARDS

The Committee shall advise the Faculty Senate on matters relating to academic achievement, grading systems, standards of scholarship both for entering and remaining in the University and in specific colleges and programs of the University, graduation, and terms and conditions of academic probation and reinstatement. It shall investigate any of these areas and initiate policies or changes in policies relating to them.

It shall have the authority to act on individual problems of admissions, readmission, and reinstatement referred to it by the Office of the Vice President for Academic Affairs, faculty members, or students.

The Committee shall have the authority to investigate, on its own initiative or as directed by the Faculty Senate, matters relating to general standards of admission to the University and standards of admissions to specific colleges or areas of the University.

The Committee shall have the authority to make recommendations to the Faculty Senate on those matters related to the various aspects of the athletics programs of the University, including, but not limited to, such matters as student eligibility, athletic budget review, five year reviews/plans, gender equity, athletic scholarships, athlete recruitment and retention, schedules for athletic contests, and participation in post season play. It shall approve revisions to the Athletic Handbook and it shall act as the faculty committee on athletic scholarships.

CLARION UNIVERSITY OF PENNSYLVANIA FACULTY SENATE STANDING COMMITTEES

COMMITTEE ON INSTITUTIONAL RESOURCES

The Committee shall serve as the advisory body of the Faculty Senate on all matters affecting the growth and development of the physical and academic facilities of the University, including planning for the future. It shall have the responsibility to initiate conferences with the appropriate planning, budgetary, and general administrative officers of the University relating to the use and development of institutional resources. It shall evaluate issues relating to the assignment of space, facilities, and personnel in terms of the stated goals of the University.

The Committee shall recommend such policies or changes in policies that it determines are needed to enhance the value of technology-related resources to the academic functions of the University.

The Committee oversees the library as a University resource and considers matters which affect the usefulness of the library to Faculty and students. It shall be responsible for reviewing and evaluating developments in the acquisition and dissemination of information through the library.

STUDENT AFFAIRS COMMITTEE

The Committee shall be concerned with policies involving student life at the University. It shall have jurisdiction over general rules and regulations pertaining to student affairs, subject to confirmation by the Senate. It acts as liaison with the Student Senate.

The committee shall have two student representatives selected by the Student Senate and it shall have at least one faculty member from the Office of Student Affairs.

The Committee considers issues related to the extra-curricular, cultural, and entertainment matters such as concerts, art shows, etc., that are made available to students. It shall serve as a nominations committee for the student recognition awards. The applicants for the awards shall be gathered by the Office of Student Affairs

OTHER COMMITTEES AND BOARDS WITH
FACULTY SENATE APPOINTMENTS**

FOUNDATION ADVISORY BOARD

The Foundation Advisory Board makes recommendations to the Clarion University Foundation regarding project grant application requests from faculty and students that are made to the Foundation. These grant request reviews are done once a semester and one Advisory Board member will be asked each semester to present the Advisory Board's recommendations to the Foundation Board of Trustees.

LESSER SCHOLARSHIP COMMITTEE (2 vacancies/ three-year term)

The Lesser Trust Fund provides scholarships to successful students in the areas of theatre, art, music, and athletics. High school students who have exhibited high interest and achievement in these areas are urged to apply. Application is made each spring prior to April 15. Selection is based upon talent, academic promise, and leadership potential. Members of this committee select award recipients.
