#### FY 2016/17 and 2017/18 E & G Summary

#### Clarion University of Pennsylvania

#### Revenue/Sources:

**Tuition** - Although headcount is budgeted to be down approximately 2.1% tuition revenue will be slightly up due to the 2.5% increase in tuition charges and a favorable estimated increase in the graduate mix.

Fees – Includes approximately \$500,000 in additional revenue from STEM-H fee pilot.

**State Appropriation** – The State System is in the midst of implementing a new allocation formula. The prior year reflects 2/3 of the change and the current year reflects full implementation assuming no other change in supporting data used in the formula. Performance funding for the request year is estimated at the current year amount.

**All Other Revenue** – Decrease is largely due to a budgeted reduction in the Coordinated Care Network program sales.

Planned Use of Carryforward – \$2,200,000 of carryforward has been included for FY 2016/17.

#### **Expenditures and Transfers:**

**Salaries & Wages** – FY17 Reflects a 2.75% rate increase 10/1/16 for the AFSCME unit. FY18 reflects a 2% 7/1/17 rate increase with January 2018 applicable step or top step payout for the AFSCME unit. All other units reflect no new year increases in FY17 or FY18. Turnover savings for FY 2016/17 and FY 2017/18 were \$1,618,719 and \$3,657,935 respectively. Savings from approximately 10 retirements have been built into the FY 2017/18 turnover savings.

**Student Financial Aid -** During FY15 a merit based scholarship program was created. FY2015/16 was the first year to record the expense of the program which resulted in an increase in student financial aid of \$585,912, a 49.6% increase. FY 2016/17 is the second year of the program and is expected to cost an additional \$463,601, a 26.2% increase. Offerings for FY18 are budgeted to be paired back and result in additional expense of \$275,000, a 12.3% increase.

**Utilities -** As a result of favorable rate changes for natural gas and through various savings initiatives the University plans to maintain the cost of utilities without realizing the system assumed increased cost.

**Services & Supplies** – Decrease is largely due to a budgeted reduction in the Coordinated Care Network program costs.

**Capital Expenditures & Transfers** – Decrease is largely due to the completion of building projects for the nursing program and buildout costs for the new Suites.

#### **Annualized FTE Enrollment:**

The annualized FTE enrollment reported on the program budget reported a conservative 4.5% decrease from FY16. Actual results are projected to be slightly better (roughly a 2.1% decrease) and revenue has been adjusted to report the expected increase.

#### **E&G FTE Employees:**

Reduction were made in the FY17 FTE particularly in the APSCUF and AFSCME units based upon review of retirements and resignations. The FTE in FY18 will remain constant - (2) APSCUF positions, (1) Management position and (1) SCUPA position will be frozen until funding is available.
