

Bachelors of Science Criminal Justice Administration

Learning Outcomes

Upon Successful completion of the Bachelor's Degree in Criminal Justice Administration, students will be able to:

1. *Identify and apply major discipline-specific leadership concepts, techniques, and practices to their chosen criminal justice occupations.*
2. *Delineate, explain, and assess current issues impacting the various branches of the American Criminal Justice System, particularly those deemed critical by local, state, and federal governments*
3. *Demonstrate the ability to critically locate, analyze, and address occupational-related concerns that impact today's criminal justice practitioner.*
4. *Develop a holistic understanding of research methodologies that can be used to evaluate criminal justice programs, policies, and statutory decisions*
